Comments:

- meetings where women are role models
- programs that are educational and growth oriented
- arts – trips to museums
- send issues via email rather than have a meeting
- good survey – thanks – please publish results.
- There are too many activities currently
- local issues
- dietician to discuss reliable nutrition sources
- thanks for survey – good idea
- what happened to the area of education in our program planning? [couldn't read handwriting re: SRVUSD & current activities]
