Dear AAUW Members

From your presidents, both Robin and Roseann would like to thank you for the efforts you have given in helping us raise funds through the Holiday Tour and the Garden Tour for women and girls. The wonderful interaction given by members in participating in our general meetings and all our interest sections and neighborhood groups has made our branch outstanding.

We appreciate all the work our board of directors expends toward building a wonderful program, membership, and friendships. It has been a pleasure to be a part of this association.

We look forward to continued success under the direction of the new board. Thanks to everyone.

Roseann Krane and Robin Halloran, 2011-2012 AAUW Presidents

ONE MEMBER - ONE VOTE

When do we vote for our AAUW CA Board?

This year, AAUW CA begins a new process for electing our state board. Instead of branch representatives voting at convention, every member of AAUW CA will be able to vote. One Member, One Vote will be an online vote process. Voting instructions are available in a presentation provided at convention and now located at www.aauw-ca.org. Click on "elections" to see the candidate information. Download the presentation to view the instructions.

If you need any assistance with this process, please don't hesitate to contact Holly Sauer for information or hands-on assistance. One Member, One Vote will only be successful if every member participates.

The Danville-Alamo-Walnut Creek branch has endorsed Alicia Hetman for President.

INVITE A FRIEND TO JOIN AAUW

Do you have a good friend that you think might enjoy our Danville-Alamo-Walnut Creek branch of AAUW? If so, please forward his/her name, email address and telephone number to Tena Gallagher. She has materials that can easily be emailed to your friend explaining who we are, how we work to accomplish our mission statement: AAUW advances equity for women and girls through advocacy, education, philanthropy, and research and is some of the many ways that we enjoy our sisters' friendship and support.

Call Tena at 925-837-0826 or email tena@aol.com or membershipvp@aauw-daw.org.

AAUW CA State Convention 2012

by Holly Sauer

AAUW CA Convention 2012, held in Santa Clara, was a fun and exciting event. Three days of presentations and workshops had great participation from our branch.

Attending were Roseann Krane, Holly Sauer, Karen Large, Mary Ellen Blake, Rita Wustner, Carla Pancheco, Caroline Wood and Jo Harberson. In Friday's opening Business Session, our branch was honored with a \$40 Shop AAUW gift certificate recognizing our outstanding mission-based programs. Special thanks to Karen Large, Pat Gross and Norma Spencer for orchestrating our wonderful events, including Seneca Falls, Remember The Ladies, and Autumn Gem. A special thank you to Karen for preparing and submitting our recognition documentation to AAUW CA.

Our branch was a key recipient of branch recognitions at Sunday's closing AAUW Funds & Legal Advocacy Funds presentation:

- First Place in AAUW Funds Top Branches, with \$37,254.00 donated
- Fourth Place in AAUW Funds Top Per Capita donations, with \$140.58 per member
- Second Place in Legal Advocacy Fund Top Branches, with \$4,968.92 donated
- Tenth Place in Legal Advocacy Fund Top Branches Per Capita, with \$18.75 per member

These are tremendous accomplishments that would not have been possible without the support of our entire branch for our Garden Tour, Holiday Home Tour, and branch member donations. Special thanks to our 2010-11 Garden Tour chairs Jacque Schubert and Dianne Tinnis, our Holiday Home Tour Chairs Mary Ellen Blake and Holly Sauer, the dedicated committee members who accomplished so much of the work needed to make these tours a success, and all of our branch donors and participants.

"Connection Corner" enabled branches to share exhibits of their programs and branch activities with other branches. Big thanks to Dora-Thea Porter who created a beautiful tri-fold display for our branch that was easily the most professional and beautiful display in the room! The tri-fold will be on display at the Garden Tour and our Fall Membership Brunch.

A great advantage of attending convention is the enthusiasm for new ideas gained from presentations, workshops, and other branches. Here are just some of the ideas we gathered and think are worth exploring. Do you like these ideas or have other ideas? Please let Holly Sauer know what you think.

- BITS program (Butts in the Seats): Arrange for members to attend women's sports games together.
- Community outreach: one "hands on charity" event a year, attracting a wider demographic in our community such as teens, their moms, younger women. AAUW-CA is focusing on hunger next year, perhaps tie into that.
- Use the AAUW Two-Minute Activist program: take one minute to read about the latest issue in Congress. Then, take one more minute to personalize a message and e-mail it to your member of Congress.

Back row: Mary Ellen Blake, Roseann Krane, Carla Pacheco, Karen Large.

- Use the AAUW Two-Minute Activist program: take one minute to read about the latest issue in Congress. Then, take one more minute to personalize a message and e-mail it to your member of Congress.
- Bring a friend rather than rely on word-of-mouth for membership growth and success. Provide rewards to those who successfully bring in a new member.
- Increase our Public Policy activities. Women's issues need real focus. Advocacy is a top reason for membership growth among young women.
- Expand our partnerships with other organizations (maybe Girl Scouts, others?) and our participation when partnering; e.g. for Soroptimist, get our own breakout session with the Soroptimist event "She's All That!"
- Create our own "cyber-bullying" program/video for high schools. Video could address actions kids can take when bullied and could include role-playing.
- Expand our charitable activity to include helping young women get into college. There are kids in school who have very limited financial resources. According to a friend's high school daughter, these children are bullied the most.
- Build our own version of how San Jose branch creates new community projects: Any member may propose a new mission-based project to the board if a project lead is identified and a minimum number of members have agreed to participate in its execution.
- Join the local Chambers of Commerce.
- Participate in local street fairs

Highlights of convention presentations and workshops:

- A plenary entitled "Bullies Anonymous" featured elementary students from bay area schools in a musical. This was followed by a presentation by Napa Valley branch on "Bullying and Cyber-Bullying: A Community Concern", in which they shared research and provided suggestions about how we can help.
- "Miss Representation" was screened. Written and directed by Jennifer Siebel Newsom, the film documents media's often negative views of women and girls, and its role in the under-representation of women in positions of power and influence. Ms. Newsom was also a key-note speaker.
- The San Jose branch presented an insightful overview of the Community Action Projects supported by their members, including:
 - *Neighbors Helping Neighbors provides assistance to local charitable organizations, such as Second Harvest Food Bank and Next Door solutions for domestic violence.
 - *Technical Excellence partners with one local school to provide science and math projects and field trips for select middle school girls.
 - *Sports Equity Project monitors and supports Title IX compliance in high schools.

rites of Spring Event

The Rites of Spring Event held April 21 was a great success!

We met the quorum needed for the election, and we now have a new Board of Directors duly elected.

A special thanks to Asha Baja, Fari Falaki, and Gus Slavin for preparing such wonderful food and giving us a great program about food from Japan, India and Persia and Haiku Poetry.

Asha, with the help of her husband, prepared and served amazing Indian food for us all to enjoy and showed us how to wear a sari; Fari made delectable bites of Persian desserts and had a display of different spices for us to sample. Gus kept the event running smoothly, and we were all seated in time to listen to the speaker on Haiku poetry. We not only learned what it is, but we also had a turn at writing it ourselves.

2012-2013 Appointed Branch Board Members Needed

At state convention this year, Danville-Alamo-Walnut Creek received wonderful recognition of our fund-raising efforts. One of our awards was placing #1 in AAUW Funds! If there were an award for Local Scholarship and Tech Trek fund-raising, I'm sure our efforts would place us at the top for those projects, also.

None of this is possible without the dedicated work of our Garden Tour and Holiday Home Tour Co-Chairs and their committee members. If these tours and the causes they support are important to you, please volunteer to be a co-chair for the upcoming year. Many member volunteers are lined up to help you. It really is a fun and worthwhile experience (I can attest to this from personal experience!)

If interested in serving as a co-chair for the Garden Tour or the Holiday Home Tour, please contact me, Holly Sauer. Thank you!
